

ROCKY MOUNTAIN DIVING CLUB

WELCOME LETTER

HELLO ROCKY MOUNTAIN DIVING CLUB MEMBERS,

Welcome and Welcome Back to Rocky Mountain Diving Club!

First, thank you everyone for the interest in Diving.

Our first day of class will be January 5, 2019 (Saturday).

Our Coaches are very looking forward to see all of you.

For members who are diving at **SAIT**:

SAIT no longer provide free parking. So you will be responsible for paying the parking fee. The Diving Tank is located in Campus Center, it will be just a very short walk from P1 to the Campus Center. You should see a soccer field on your right, the Campus Center is on your left hand side. You should see The Aquatic Center entrance as soon as you go in.

You can validate the ticket at the entrance of the Aquatic Center.

Please make sure all divers have their running shoes with them.

Please find attached map "SAIT direction" for your reference.

For members who are diving in **Repsol Sports Centre (Formerly Talisman Center)**:

To access the Dive Tank, please use **the back gate** located at the back of the front desk.

PLEASE find attached access code in the email to access, I would recommend you print the barcode out just in case the machine cannot read your phone.

Repsol Sport Centre has straightened the rule regarding gate access. PLEASE MAKE SURE YOU HAVE THE ACCESS CODE with you at all times as if you forgot 3 times, a \$15 will be charged to RMDC and we will charge the price back to you.

If you don't have the access code, please email me.

If you prefer to get an access card, please email me and I will give you one. Please note that a replaced access card will cost you \$7.00

WHERE TO MEET:

Coaches will meet everyone at the pool deck on the first day of class. Please bring all your belongings with you and you can put your belongings at the bleacher on deck (behind the 1 meter springboard).

Dress Code:

Please have your bathing suit on with you in the beginning of class as we will not provide any changing time during the class. Shorts and t-shirts are optional but highly recommended as divers will be doing dryland first before they get into the water.

Please bring running shoes with you at all times for warm up.
